I am an enthusiastic, very hardworking, and genuine person, who enjoys learning all kinds of art, craft and design. After completing my leaving Certificate in 2012, I went to various colleges to build a portfolio, learn about the world of animation, and expand my learning through the art education sector. This is when I achieved a 2:1 in my first bachelor's degree in animation with University of Wolverhampton. I am now in my final year at Limerick School of Art and Design completing a Bachelor of Education in Art and Design.

School Work Placements

Observation Week

I completed a week of observation with Thomond Community College. This week entailed observing the class, taking note of teaching strategies, differentiation methods and classroom management. I not only enjoyed this week, I benefited greatly by observing a variation of classes including resource classes.

First Placement

My first placement was in Thomond Community College in Dooneen Road, Woodview Park, Co. Limerick. I got the opportunity to teach three separate Units of Learning to First Years, Second Years and Fifth Years. These were all completed with a high level of understanding and learning using visual art education. I enjoyed my time spent with both students, staff and being part of the school environment. I had two inspections and passed this placement. I enjoyed learning every single day.

Substitute Teaching

During my first placement, I was also given paid hours to be a substitute teacher with Thomond Community College, along with my current work placement hours. This included supervision, class management, observation, student tutoring and time management. This was a insightful experience as a new teacher to learn from outside my own subject.
